

## Trek Parts

Trek Part - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have over 60 years combined experience with successfully marketing, manufacturing, designing, developing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are dedicated to giving new design concepts and top quality in order to meet the diverse needs of their customers.

TREK Cleaning Machines always offers fresh design concepts as shown in their product development. They enjoy providing items that energize both their partners and their dealers and provide production gains to their customers.

The TREK team of employees enjoys new challenges and new tasks. They are extremely proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' needs and skills combined with their comprehension of cleaning applications, along with owners' strong desire to considerably lower expense through productivity gains.

The personnel at TREK and their dealer-partners are strongly dedicated to having both parts and technical support obtainable when it is required. Their high service devotion is one of the core values in their customer service. Keeping their customers' cleaning machines functioning and ready day by day is top priority. The company's top of the line technology delivers reliable equipment which ultimately reduces your cost of cleaning. The service, the product and the price all work together to be able to make them the leader in the trade.
