

American Lincoln Part

American Lincoln Part - The American Lincoln division is currently connected with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machinery that are known in the business as durable and strong equipment that meets the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nationwide through national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery-operated walk behind model of floor scrubber together with the Clarke Company that is now also owned by Nilfisk Advance. Their production operations are primarily based in Springdale Arkansas. These kinds of scrubbers are on the market under the brand name "Encore". American Lincoln could provide warranty service, equipment and components for these scrubbers that carry both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for numerous facility supervisors where efficiency and results count. Lately, this particular floor scrubber model has been utilized by the architects in different construction projects such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this sweeper scrubber on site due to the model's excellent quality and utmost performance level for polishing concrete.
